Dear Gary:

Subject: Reconnaissance Inspection UT0024368

*ACT 1018032 #2*

I had a chance to visit the Genwal Coal mine site newly constructed sedimentation pond. It appears sufficient to handle the runoff generated. I realize you were busy underground and I appreciate the opportunity to observe the pond.

A short inspection report is attached. If you have any questions, give me a call at 538-6058.

Sincerely,

*Michael D. Herkimer*
